Subject: RE: CAFO inspections next week

Just wanted to confirm about the schedule for tomorrow. I talked with Matt by phone. We will be starting at Hank Vanderwaal tomorrow at 10:00 am. Hoping to have that done by 12:00 then get disinfected and then move on to Kevin Wynja(he is directly across the street from TeSlaa Farming.

We will plan the next day sometime tomorrow. That would include Kooiker Brothers and Vermeer and Sons. I do not think that we will do Kooiker West.

Any questions just give me a call.

Lois, Matt, Andrea, and Jacob

Lorenzo and I will be driving up on Monday and will be doing recon on the sites, Monday afternoon. We will be conducting inspections on Tuesday and Wednesday. We think that we can get two done each day. We will plan on contacting the facilities on Monday sometime during the day. I can give you all a better idea of exact times after we make the calls.

If you have any questions please let me or Lorenzo know.

Thanks
